NEW QUESTION: 3
Coffee Workhouse is a novel concept in modern flexible working.
It is a traditional cafe that allows customers to book a booth
with all the facilities normally associated with an office
environment in which to work. The company is also planning to
allow customers to purchase its own branded coffee via its
website. The management is in the process of planning this new
concept and is aware that the chief barista will need the
ability to order catering supplies for the cafe, as well as
monitor sales to ensure the concept is viable and profitable.
