NEW QUESTION: 1
DRAG DROP
You work for a financial services company that has an Exchange Server 2013 organization.
Mailbox audit logging is enabled for all mailboxes.
The company identifies the following requirements for the sales department:
The manager of the sales department must be able to search for email messages that contain specific

key words in the mailboxes of the users in the sales department.
The manager of the human resources department must receive a report that contains a list of all the

sales users' mailboxes that were searched by the sales manager.
You need to identify which tasks must be performed to meet the requirements.
Which tasks should you identify?
To answer, drag the appropriate task to the correct requirement in the answer area. Each task may be used once, more than once, or not at all. Additionally, you may need to drag the split bar between panes or scroll to view content.

Select and Place:

Answer:
Explanation:
