NEW QUESTION: 2

You are using a voucher template to create a journal voucher. The template type is Percent.

The template has four lines with the following amounts:

First line: \$100

Second line: \$200

Third line: \$300

Fourth line: \$400

When prompted for a voucher amount you enter \$2,000.

What is the default amount on the third line of the journal voucher?

- A. \$2,000
- B. \$600
- C. \$300
- D. \$150

Answer: B

Explanation:

$$300/1000*2000=600$$

Note: Percent - Use this template type if the total amount of the expense varies from period to period, such as a telephone expense that is allocated to several departments.

When you use the template, you can enter the amount of the new transaction. The offset amounts are distributed to the lines according to the percentage of the original voucher total that is represented by each voucher line.
